Dear Sir/Madams:

Agent for Applicant acknowledges receipt of Office Action dated January 31, 2006 in connection with the above-noted matter and responds as follows:

ELECTION RESTRICTION

Examiner stated that restriction to one of the following inventions is required under 35 U.S.C. 121, namely:

- (I) Claims 1-18 are drawn to an enclosure, classified in class 82, subclass 129; and
- (II) Claims 19 and 20 are drawn to a method of erecting an enclosure, classified in class 182, subclass 178.1

Agent for Applicant elects to prosecute claims of Group 1, namely, claims 1-18 without prejudice to file a divisional application for the remaining claims.
